PANGANDARAN WEST JAVA - 1217 Employees need Pangandaran distrik government, in agustus 2021, testing is expected 85% obtained by Pangandaran people.

Thus explained Pangandaran regent H Jeje Wiradinata, when interviewed by

some media crew in his workspace, Tuesday 11/05/2021.

Said Jeje that, Pangandaran district government ready rollout selection of government prospective employees and government employees (ASN) with a work agreement (P3K).

That matter associated with letter of determination publication from ministry empowerment of the state apparatus and bureaucracy reform (Kemenpan RB) about determination of employee need in Pangandaran district government.

In the letter, has been established that employee need in Pangandaran district government as much 1217 employees, and that number is open quotas for selection of employees reception in the year 2021.

Test employee opening will be announced at the end of May 2021 formally, and selection schedule will be held in August 2021," said Jeje.

According to him, recruitment quota for this year as much 1217 person, consists of 610 person as teacher and government employees by Contract agreement (PPPK).

Meanwhile, government prospective employees (CPNS) as much 474 person, for health workers and technical personnel 137 person," he explained.

However, from determination of ministry empowerment of the state apparatus and bureaucracy reform (Kemenpan RB), Jeje admitted to make adjustments, in which there are some formations is assessed too much and it's not needs in accordance with.

Next said Jeje, evidently there are several formation that hasn't been synced yet by necessity, yes, we are given general practitioners formation as much 44 person, dentist 25 person, that's in our opinion too much," said Jeje.

With many doctor formation, by registration predictable will decrease, yes, it is mirrored from last year selection, what wasteful formation if only not filled.

In Pangandaran district government, we need bachelor of law, Bachelor of Governance Science, Marine Bachelor, Bachelor of Engineering, so, if too much, latter it can be reduced," said Jeje.

He hopes that this opportunity to recruit employees could be utilized by Pangandaran people, yes, I want that this 85% employee quota obtained by Pangandaran people," Jeje said. (Anton AS)
